

## Churt Parish Council Newsletter April 2018

Due to the recent snow, frost and generally unpleasant weather the roads in the area and particularly the A287 are in a terrible state with deep potholes in places. I can assure you that all the defects have been reported to Surrey County Council who inform us that the worst of the reported defects will be repaired around 20<sup>th</sup> April. Let us hope that by the time you read this newsletter the repairs have/ are taking place.

The weather is slowly improving and the weather people tell us that we can expect much warmer weather - maybe just for a short period of time, but during that time it could be warmer here than in Greece! Our contractors have already begun looking after and cutting our grassed areas. A meeting has taken place and it has now been decided which parts of Redhearn Green will have grass protection installed. Work will commence very soon.

Please be aware that Tilford Bridge will soon be closed for major repairs which will have an obvious knock on effect to surrounding roads. You may also be aware that Dye House Road at Thursley is currently closed due to a landslip. It is hoped that it will soon be cleared and reopened.

Our new website will be officially launched at the Annual Assembly on Wednesday 18<sup>th</sup> April. Please look out for an exciting and simple launch competition, the first prize of which will be a family ticket to St John's Church barbeque to be held on Redhearn Green on 8<sup>th</sup> July 2018. This has now become a major village event with live music and is not to be missed.

The Parish Council's Annual Meeting will take place on Wednesday 16<sup>th</sup> May 2018 at 7.30pm at the pavilion on the recreation ground. This is the occasion when council officers will be elected. All are very welcome to attend but please be aware that space is a little limited.

David Crossley. Chairman

The next meetings of the Churt Parish Council and Recreation Ground Trust will be the Annual Meetings and will take place on Weds 18<sup>th</sup> May 2018 in the pavilion at 7.30pm
